

Kampala Community International Primary School

Welcome to Kampala Community International Primary School (KCIPrimary) and thank you for showing interest in enrolling your child at the school.

KCIPrimary is a unique school, a boutique school, serving a community in which families are looking for true hands on interactive learning at an affordable cost.

Our motto, *Inspiring Every Child to Love Learning*, forms the backbone of learning at our school, yet without a compromise on academic standards.

Our mission is to provide a high quality, interactive learning, teaching & nurturing environment to enable and empower each and every child to reach their full potential academically, socially, emotionally, physically, morally and culturally.

To secure your child's place at the school, please complete the registration form at the back of the enrolment pack and return it to school with the documents required (see attached checklist) and the bank slip for payment of the registration fee. Completed forms and copies of documents should be returned to the school office on Monday - Friday, 8.30am - 4.30pm (9am - 1pm in school holidays) or at other times by appointment. Alternatively, they may be scanned and emailed to the Head of School at head@kcipschool.com.

If you have any questions, please call the Head of School on 077 6666 885 or pass by the school during office hours.

Kampala Community International Primary School

Dear Parents

Welcome to Kampala Community International Primary School! We are excited to have you and your family join our community. We strive to provide a high-quality, interactive and nurturing learning environment that empowers every child to reach its full potential.

We provide a holistic programme of exceptional education through an inspiring and engaging curriculum. Our programme incorporates active, student-focused learning whilst fostering independence, curiosity, and self-confidence—all within a safe, supportive and welcoming setting. In addition to the formal learning taking place at school, there are many special events, extracurricular clubs, sports events and activities to encourage our students to explore interests and develop talents.

Parents are invited to be active participants at KCIPrimary. Parent participation in their child's school coincides with a greater likelihood of academic success for their child. Whether it be by facilitating your child's learning at home, assisting or attending an activity at school, coming to one of our Friday Coffee & Chats with the Head of School or taking advantage of our *open-door* policy, your contributions towards your child's learning are greatly appreciated.

At KCIPrimary, we highly value communication between home & school. School newsletters are emailed weekly to parents. In addition, please refer to the school's website and the KCIPrimary parents only Facebook page for up-to-date information about KCIPrimary.

I would once again like to welcome you to KCIPrimary and look forward to working with your family as we inspire your child to love learning.

With kindest regards,

Maha Sarraf Griffin
Head of School
